2015 Sea Ray 300 SLX "Sea Ray"

LENGTH 32'2"	YEAR 2015	MAKE Sea Ray
CLASS Bowrider	TYPE Power	LOCATION Dana Point, CA, US

ABOUT THIS VESSEL

Introducing the 2015 Sea Ray 300 SLX, a premium luxury bowrider that blends performance, comfort, and entertaining space into one versatile package. At 30 feet in length with seating for up to 12 passengers, the 300 SLX is ideal for cruising, water sports, and entertaining family and friends. Sea Ray's innovative Quiet Ride™ hull technology delivers a remarkably smooth and quiet ride, while the spacious cockpit, enclosed head, wet bar, and expansive swim platform make every day on the water comfortable and enjoyable. Two seating plans were available—one with a back-to-back (fold-down) companion seat, and another with a double-wide helm seat. An entertainment center includes a wet bar with bottle rack, trash bin, and optional refrigerator, and cockpit and bow tables can be stowed while underway. The sporty burlwood dash is a plus, and a lockable head/change compartment in the portside helm console comes with a freshwater sink and pullout shower. As with most bowriders, removable cushions convert the entire forward seating area into a vast sun pad. A power engine compartment hatch is standard.

Key Features

- Twin Mercury MerCruiser 350 MAG engines, including Axius joystick docking on command systems with skyhook
- Sea Ray's Proprietary Quiet Ride™ technology with Tuned Transom® for reduced noise and vibration
