"SHOOTZ" is a custom 40' Mainship with new

CUMMINS/NORTHERN LIGHTS GEN in 2017

"Shootz is a 2 stateroom layout with galley salon and cockpit being all the same entertaining flow.

Her galley features an upright 12v/110v Refer, a two compartment sink, lots of storage and a two burner cooktop. there is a free standing couch to starboard and a full dinnette to port. Out the door is a large cockpit with a custom patio door, two bench seats on each side and three steps molded to the bridge. The layout on the bridge is awesome with seating for eight and a walkthrough bow to foredeck with two molded seats. Now you have two decks not just 1 aft. the helm station is tournament style looking over the cockpit. One of my favorites of this boat are the two additional bench seats on the transom, how water friendly and can double as bait tanks! What a great entertainer this vessel is as well as a sportfisher!
